

**MANGROVE MOUNTAIN COMPUTER CLUB
& CTC @ MANGROVE MOUNTAIN**

PRESIDENT'S ANNUAL REPORT – 2008/09

I am pleased to report that after 5 years from our commencement, the Club continues to grow with classes being held on four days of the week with some extra classes on Saturdays and in the evenings also.

Classes are all going well with great interest having been shown in Basic & Intermediate Computing, Family History, Digital Scrapbooking, Photo Editing & Restoration, Vinyl to CD and the like.

We had six months on Wednesdays with our TAFE teacher, Penny but unfortunately for the moment TAFE has pulled the plug on the funds but thanks Penny for all your contributions towards our "Computer" education and for your friendship. Now we have combined Wed, and Thursday "students", so Wednesday will be "Question and Answers" with special topics each week, as from 2nd December.
(We are in the process of completing the rest of next year's program and this will be out on Nick's "e-Update" before long.)

I would like to thank all our Volunteers who have helped with all the Classes this year, (too numerous to mention by name) but your expertise and time are much appreciated. I must mention Sue Grist in particular who has been a godsend to us at the Club and jumped in to help and organise classes and lessened some of the responsibilities for our Secretary.

I must also thank Ron as Treasurer and the rest of the Committee for all the jobs they carry out behind the scenes at the Fire Shed e.g. cleaning out the guttering, tank and roof, repairing and buying equipment , putting up signs etc and for their support.

Nick once again has done a wonderful job with our Website, the newsletter keeping us all up to date with things & dealing with equipment failures/ technicalities etc. What would we do without him ? We all appreciate how many hours of your time you have given to the Club to continue its success. Thanks Nick and also congratulations on the success of your Website.

I wish the incoming Executive every success and I hereby move my report.

Thank you all for coming.

Ann

Ann Currie
President.
